few friends in other states help us out, but for some states, we had to dig really deep to find the information needed. Our audience at the time was very happy with the information we provided. At this point, we started getting many questions about EPA 608 certification. Once you get the education and experience needed to become a technician, prospective employers will ask for certification to handle refrigerants. When we started writing about how to become certified, viewers again requested we write a study guide to help them prepare for the 608 exams. The study guides out there were dense

How does the church portray the beauty of Christ? The gospel is the greatest message of all time addressing the greatest need of all people. However, the good news about Jesus does more than just promise eternal life to all who believe. In the latest addition to the 9Marks: Building Healthy Churches series, pastor Ray Ortlund explains the gospel's power to transform individuals from the inside out and create beautiful human relationships. This short book helps readers experience the power of God as they are
