Cludonomics radically upends the conventional wisdom, clearly explains the underlying principles and illustrates through understandable examples how Cloud computing can create compelling value—whether you are a customer, a provider, a strategist, or an investor.

Cludonomics: The Business Value of Cloud Computing ...

Cludonomics Law #1: Utility services cost less even though they cost more. An on-demand service provider typically charges a utility premium — a higher cost per unit time for a resource than if it were owned, financed or leased. However, although utilities cost more when they are used, they cost nothing when they are not.

Cludonomics eBook by Joe Weinman - 9781118282885 ...

Last week I read Cludonomics by Joe Weinman and found it to be the most complete, well-told explanation of cloud computing's value proposition that I've ever read. Besides the content itself, I was blown away by the depth of research and deft use of analogies that Weinman used to state his case. The majority of the book is focused on how cloud computing should be approached by organizations ...
