From Jezebel.com, the popular website for women, comes a must-read encyclopedia guide to pop culture, feminism, fashion, sex, and much more. Within months of Jezebel's May 2007 appearance on the new media scene, fans of the blog began referring to themselves as 'Jezzies' in comment threads and organizing reader meet-ups in cities all over the world. By 2008, the devotion of the self-appointed Jezzies reached such a fever pitch that the New York Times ran a feature story about them and parody blogs and copycat websites began popping up right and left. With contributions from the writers and creatives who give the site its distinctive tone and broad influence, The Book of Jezebel is an encyclopedia of everything important to the modern woman. Running the gamut from Abzug, Bella and Baby-sitters Club, The to Xena, Yogurt, and Zits, and filled with entertaining sidebars and arresting images, this is a must-read for the modern woman.

An accessible and fact-filled visual guide to alcoholic drinks, how they are produced, where they come from, choosing and tasting, and a world directory to the best wines, beers and spirits.

From food pairings to the art of wine tasting, this charmingly illustrated guide makes the world of wine more welcoming than ever! Calling all wine newbies and wine nerds! This illustrated guide is refreshing as a ros\u00e9 and flavorful as a merlot. Growing up in a family that's been in the wine business for five generations, Madelyne Meyer would be the first to tell you, you don't need a book to enjoy wine . . . but knowing more about your favorite glassful can be a pleasure all its own. In Welcome to Wine, Meyer pairs her expert knowledge with 200 witty, whimsical illustrations that make all the essentials crystal clear--so you can get to the good part sooner! Food pairings and the art of wine tasting Serving temperature (without getting hung up on precision!) Key wine regions and exactly how wine is made From choosing wine fora date night to training your nose to pickup "notes," this is the friendliest guide to wine.

Published in 1994 to worldwide acclaim, the first edition of Jancis Robinson's seminal volume immediately attained legendary status, winning every major wine book award including the Glenfiddich and Julia Child/IACP awards, as well as writer and woman of the year accolades for its editor on both sides of the Atlantic. Combining meticulously-researched fact with refreshing opinion and wit, The Oxford Companion to Wine presents almost 4,000 entries on every wine-related topic imaginable, from regions and grape varieties to the owners, connoisseurs, growers, and tasters in wine through the ages; from viticulture and oenology to the history of wine, from its origins to the present day. The 187 esteemed contributors (including over 50 new to this edition) range from internationally renowned academics to some of the most famous wine writers and wine specialists in the world. Now exhaustively updated, this fourth edition incorporates the very latest international research to present over 350 new entries on topics ranging from additives and wine apps to WSET and Zelen. Over 60 per cent of all entries have been revised; and useful lists and statistics are appended, including a unique list of the world's controlled appellations and their permitted grape varieties, as well as vineyard area, wine production and consumption by country. Illustrated with almost 30 updated maps of every important wine region in the world, many useful charts and diagrams, and 16 stunning colour photographs, this Companion is unlike any other wine book, offering an understanding of wine in all of its wider contexts--notably historical, cultural, and scientific--and serving as a truly companionable point of reference into which any wine-lover can dip and browse. New to this editionComprehensively revised and updated throughout Over 350 brand-new entries Significant new updates on hundreds of topics such as China, screwcaps, and the origins of viticulture Impressive global coverage of wine regions, including new entries on Alaska, Lesotho, Norway, and Tahiti Includes brand-new colour photographs and black and white line drawings Maps of wine regions have been updated

An instant classic and a breathtaking achievement. Originally published in 1998, this is the fully revised and updated edition of the outstanding tour de force by the world's leading sparkling wine expert. It is the ultimate reference work for all fizz fans. Beautifully illustrated and stylishly designed, with over 600 full-colour photographs, labels and maps, it has become and will continue to be an indispensable part of any true wine lover's library. Winner of the Noble Cuve du Champagne Lanson; the Salon International du Livre; Gourmand 'Best Wine Book'; and was shortlisted for the Andre Simon Award.
