In The Little Book of Lykke, Meik identifies the six factors that explain the majority of differences in happiness across the world—togetherness, money, health, freedom, trust, and kindness—and explores what actions we can take to become happier. As he reveals, we can deepen our blissfulness and contentment with little adjustments in our behavior, whether it's eating like the French (sitting around a table and savoring our time) or dancing the tango like Argentinians in Buenos Aires.

Publishers certainly seem to be milking the current interest in Scandinavian lifestyle books; The Little Book of Lyyke: The Danish Search for the World's Happiest People is by the author of The Little Book of Hygge: The Danish Way to Live Well, which I found rather lovely. The intention of Wiking's second book is 'to take you treasure hunting; to go in pursuit of happiness; to find the good that does exist in the world - and to bring this into the light so that, together, we can help it spread.'
